

# 2016 BYC Summer Program

Dear Parents/Guardians:

Hello campers! I am anxious to begin another year as the director of our summer program. It will be a safe and enjoyable summer program with lots of excitement.

The Broadalbin-Youth Commission will be providing its summer recreational program, which is available to all school-aged children in grades K-8. This year's program will run from **Monday June 27<sup>th</sup> through Friday August 5<sup>th</sup>** at the Broadalbin-Perth TLC site. The day program runs Monday through Friday from 9am until 12 noon. **We kindly ask all parents pick up their children promptly at 12 noon.** Please make the necessary arrangements for your child's pick up. While situations sometimes are out of our control, we understand an occurrence of being late to pick your child. However, frequent abuse cannot be tolerated. Therefore, children who are not picked up on time face a warning on the first offense, the second offense is a one (next) day suspension from the program and the third offense is suspension from the program completely. I hope you understand the importance of our request.

This year we will run a **FREE** bus on Tuesday and Thursday afternoons to the Amsterdam Pool. Children will need to be present at the morning session in order to attend the pool trip or notify me of their pending attendance. We will be leaving the high school parking lot **promptly at 12:00**. The bus will return to the high school by **3:00**. Everyone is urged to bring a bagged lunch on pool days and will dine at the pool. There is also pizza available for purchase on pool days. On some occasions, we may stop for ice cream or something similar. We now start the week with Movie Monday and our trips are on each Wednesday.

Attached you will find a schedule of this summers' events and scheduled trips. Each participant must have a signed permission slip in order to go on the trip for that day. We ask that all trip sign ups are completed prior to or on the designated deadline. This will assist us in being organized. There are **no refunds** available for the trips. Please plan accordingly.

The mission of the Broadalbin Youth Commission is to provide a safe, quality environment that will allow children to develop a positive self-image, through the constructive use of leisure time. This program is structured so that each individual can acquire desirable social, emotional, and physical fitness appropriate for their age group. This program is designed to offer every participant an equal opportunity to participate in a variety of activities. I have already expressed my upmost concern for safety and security to the counselors. On that note, please do not send your child to the program with skateboards. If your child is riding his/her bike to the program, please be sure a helmet is worn.

There will be a snack time each day where a variety of snacks and drinks will be available to purchase. Most items cost between 50 cents and one dollar. All proceeds benefit the

summer recreation program. Children may also bring their own snack and/or drink from home. Drinks are highly encouraged as this is primarily an outdoor program and the children need to remain hydrated. A water fountain is always available to the children as well.

We are accepting extra board games, arts and craft supplies, or child oriented rainy day movies if anyone would like to **donate** to us. In addition, any ideas or donations of time would be welcomed. If you have a project or a talent/skill to share with our campers, please contact me and we will place you in our schedule. Our campers are always looking for something new and exciting especially from people in our community! Thank you!!

Our summer program will be in located in the building to the left of the main TLC entrance. **The BYC T-shirt is included in the \$30 registration fee (3 children is \$80). This shirt must be worn on all field trips.**
