	Rob Klug	883-3232	George Pifko, Jr.	883-5856

The Town Park is coming to fruition! This Golf Tournament, the Home Show and other activities such as "Junk in the Trunk" have generated over \$250,000 towards the Park! Thank You! This facility will be a superb asset for all of our residents and the future of the Broadalbin community. While the playing fields will not be available until the Spring of 2019, please drive by the park (Union Mills Rd just east of the Town Hall) and see the progress that has been made. In addition to the playing fields and picnic pavilion, a walking track and playground are included in the facility plan. Pictures can be viewed at BYCKids.com.
